Bikaner Electricity Supply Limited

# Report on the Audit of the Financial Statements

We have audited the accompanying financial statements of **Bikaner Electricity Supply Limited**('the Company'), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2020, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, and Statement of Cash Flow for the year then ended and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, it's profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

# **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the FinancialStatements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Actand the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

# **Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of thesefinancial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flowsof the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit:

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 (the Order) issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by section 143(3) of the Act, based on our audit we report that:
  - a. We have sought and obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
  - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act.
  - e. On the basis of written representations received from the Directors as on 31<sup>st</sup>March, 2020 and taken on record by the Board of Directors, none of the Directors is disqualified as on 31<sup>st</sup> March, 2020 from being appointed as a Director in terms of Section 164(2) of the Act;
  - f. With respect to the adequacy of internalfinancial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure II".
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
    - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company does not have any pending litigations which would impact its financial position.
    - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

# ANNEXURE - I TOTHE INDEPENDENT AUDITORS' REPORT

With reference to the Annexure I referred to in Paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" section of our Report of even date to the members of **Bikaner Electricity Supply Limited** on the financial statements as of and for the yearended 31<sup>st</sup>March, 2020, we report the following:

- 1. In respect of the Company's fixed assets:
  - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - b. The fixed assets of the Company were physically verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - c. Sincethe Company does not hold any immovable property which requires title deeds, the clause 3(i)(c) of the Order is not applicable to the Company.
- 2. The management of the Company has physically verified its inventory during the year. In our opinion the frequency of verification is reasonable and no material discrepancies were noticed by the management on such verification.
- 3. The company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnership or otherparties covered in the register maintained under section 189 of the Act. Therefore, the provisions of Clause 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the said Order are not applicable to the company.
- 4. In respect of loans, investments, guarantees, and security provided by the Company, provisions of section 185 and 186 of the Act have been complied with.
- 5. The Company has not accepted any deposit from public and, therefore, the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not applicable.
- 6. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under sub-section (1) of section 148 of the Act. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained by the Company
- 7. (a) According to the records of the Company, the Company is regular in depositing the undisputed statutory dues like Provident Fund, Income Tax, GST, Service Tax, Cess and other statutory dues with the appropriate authorities during the year.

According to the information and explanation given to us, no undisputed amounts payable in respect of Provident fund, Employees' State Insurance, income-tax, GST, Sales Tax, Service Tax, duty of Customs, duty of Excise and Value added tax which was at 31<sup>st</sup> March 2020, for a period of more than six months from the date they become payable.

- (b) According to the information and explanation given to us and examination of the records of the Company, there are no dues of income-tax, Sales Tax, Service Tax, duty of Customs, duty of Excise and Value added taxwhich have not been deposited on account of any dispute.
- 8. According to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowing to the financial institutions, banks, government or dues to the debenture holders.
- 9. In our opinion, and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. The Company hasraised moneys through term loans during the year and the same has been applied for the purpose for which it has been raised.
- 10. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across nor we have been informed by the management any instance of fraud by the Company nor any fraud on the Company by its officers or employees.
- 11. According to the information and explanations given to us and based on our examination of the records, the Company has paid/ provided formanagerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- 12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- 13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- 14. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

- 15. According to the information and explanations given to us and the records of the Company examined by us, the Company has not entered into any non-cash transactions with the directors or persons connected with them.
- 16. According to the information and explanations given to us and the records of the Company examined by us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. .

# ANNEXURE -IITOTHE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" section of **our Report of even date**)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Bikaner Electricity Supply Limited** ("the Company") as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors of the Companyare responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# **Inherent Limitations of Internal Financial Controls with Reference to Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised to the bestance sheet.

# Mortality Rate

Mortality rates prior to relirement for the valuation as at 31 March 2020 were taken from the standard table – Indian Assured Lives Mortality (2006-06) ultimate. The same for the valuation as at 31 March 2019 were also taken from the standard table – Indian Assured Lives Mortality (2006-06) ultimate.

Risks to which the plan exposes the entity i.e. the valuation results may go wrong:

Credit Risk: if the scheme is insured and fully funded on PUC basis there is a credit risk to the extent the insurer(a) is are unable to discharge inois obligations including failure to discharge in binney manner.

Poy-as-you-go Risk. For unfunded schemes financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year, Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the actions.

Obsorbed Rate visit: The Company is exposed to the risk of fall in discount rate. A fall in discount rate will eventually increase in the ultimate cost of providing the above benefit thereby increasing the value of the liability.

Solver Accounts

2 Marin

Liquidity Risk: This risk arrives from the short term exist and Eablity cosh-flow mismatch thereby causing the company being unable to pay the benefits as they tell due in the short term. Such a situation could be the result of holding large fiquid assets disregarding the results of cash-flow projections and cash outgo inflow mismatch. (Or it could be due to insufficient assets/cash.)

Future Salary Increase Risk: The Solienc cost is very sensitive to the assumed future salary escalation rates for all finit salary defined benefit Schemes. If actual future salary escalations are higher than that assumed in the valuation actual Scheme cost and hence the value of the liability will be higher than that estimated.

Demographic Hisk: In the valuation of the liability certain demographic (monelly and alimbor rates) assumptions are made. The Company is exposed to this risk to the extent of octual experience eventurally being worse compared to the assumptions thereby causing an increase in the scheme cost.

Regulatory Right: Gratiusy Benefit must comply with the requirements of the Payment of Gratiusy Act, 1973 (as amended up-to-date). There is a risk of change in the regulations inquiring higher gratiusy payments (e.g. raising the present colling of Re 20,00,000, raising account rate from 15/26 etc.)

The above is a set of risk exposures relating to Grainity Scheme in general. It is strongly advised that the Company should exrefully examine the above list and add more risks if appropriate while preparing its financial disclosure materials.

# NOTE- 33 Financial risk management

The Company's activities expose it to credit risk, liquidity risk, capital risk and market risk (including interest rate risk and currency risk). The Company's overall risk management strategy seeks to minimise adverse effects from the unpredictability of the financial markets on the Company's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Company.

# I) Credit risk

In order to manage credit risk arising from sale of electricity, multiproriged approach is followed like precipitation of action against defaulting consumers, obtaining support of the administrative authority. The trade receivables are secured by the security deposits obtained and maintained by the Jalpur Vidyut Vitran Nigam Limited from consumers.

# il) Liquidity risk

The Company manages its liquidity risk on financial liabilities by maintaining healthy working capital and liquid fund position keeping in view the maturity profile of its borrowings and other liabilities as disclosed in the respective notes.

# III) Market risk

## a) Interest rate risk

The Company is exposed to interest rate risk because it borrows fund at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowing

#### b) Currency risk

The Company has no foreign currency risk exposure.

# NOTE - 34 Capital Management

For the purposes of the Company's capital management, capital includes issued capital and all the other equity reserves. The primary objective of the Company's capital management is to maximize shareholder value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants, if any.

The Company has not declared or pald any dividends during the year (Previous Year: Nil).

NOTE-37 The Company is appaged in distribution of electricity and does not operate in any other reportable segments. The reportable business segments are in line with the segment wave information which is being presented to the CDDM. There are no reportable geographical agements, since all business is within India.

NOTE-38 The Company has reclassified previous year's figures to conform to this year's classification alongwith other regrouping / rearrangement wherever necessary.

### NOTE- 39 COVID-19 Risk

Consequent to spread at Coronavirus disease (COVID 2019), the Government of India has announced nation-wide lock down from 25 March 2020. The Company is engaged in distribution of power being classified as essential services and therefore continues to operate even during lockdown period. During this period, the Company has seen reduction in demand of electricity in its distribution area, mainly in commercial and industrial categories and delays in collection from consumers across the categories. The Company has increased the review frequency of fund planning and has considered internal and external information up to the date of approval of these financial statements including directives/communique issued by RERC. JdVVNL and other government agencies, in date mining the impact of global pandemic on carrying values of assets and liabilities as of 31 March, 2020. While the impact has not been of any significance as of now, the Company is closely monitoring developments; its operations, liquidity and capital resources and is actively working to minimize the impact of this unpracedemed situation.

NOTE-40 As par the terms of Distribution Franchise Agreement dated 14-03-2017 an independent auditor is required to audit the average billing rate of the distribution area on quarterly basis and provide its report within 15 days of the quarter M/s CRISIL, the independent auditor has conducted the audit upto 30 06-2018, and provided its reports on ABR which is being deliberated.
